News from the Apostles of Peace

On 2 October 2020 we launched "The Apostle of Peace": the first newsletter of the Apostles of Peace.

On 2 October 2020 we launched "The Apostles of Peace", news, info and updates on monthly prayer appointments, training courses and events organised by the association.

The newsletter is on a monthly basis and will be published on the second of every month with the Comment on the Message of the Queen of Peace on the website www.apostolidellapace.it and on Telegram.

The Sanctuary of the Apostles of Peace doesn't stop

The pandemic situation that stopped the world didn't stop the Apostles of Peace.

Day by day the Sanctuary of the Apostles of Peace is enriched with stories of prayer from the cenacles, acts of mercy and pieces of grace that are a contribution in the growth of the Chaplets on the website of the association.

Moreover every month, and almost everyday, there are prayer appointments with fr Silvano Alfieri scheduled on the Zoom platform: the "Via Crucis to the School of Jesus" with a meditation on the Gospel, the international Cenacle, the monthly day of the Thousand Hail Mary organised by the Association and, starting from October, the Rosary with the meditation of the first Saturday of the month.

In order to take part to any of these appointments, you just have to go on the website of the Association www.apostolidellapace.it and Click on "**partecipa con Zoom**". You can find below the detailed prayer calendar of October.
